Re: Extension of 2019 Hemp Grower Registration

Dear Grower Registrant,

Due to a delay at the Agency and for existing registrants to continue operations into the calendar year 2020, the Agency grants a limited extension of its 2019 grower registrations until March 31, 2020.

This limited extension will enable growers to continue to operate in compliance with the Vermont Hemp Program and Vermont law as enabled under Chapter 34 of Title 6 and as enabled under federal law.

This letter extending registration is not proof of registration with the program. This letter must be appended to your official 2019 registration from the Agency in order to show your business is operating as a valid registrant in the program.

Sincerely,

A handwritten signature in blue ink, appearing to read "Anson Tebbetts".

Anson Tebbetts  
Secretary, Agency of Agriculture, Food and Markets
